TIME TO SEEK AND DESTROY

0 1.25 2.5 5 Miles

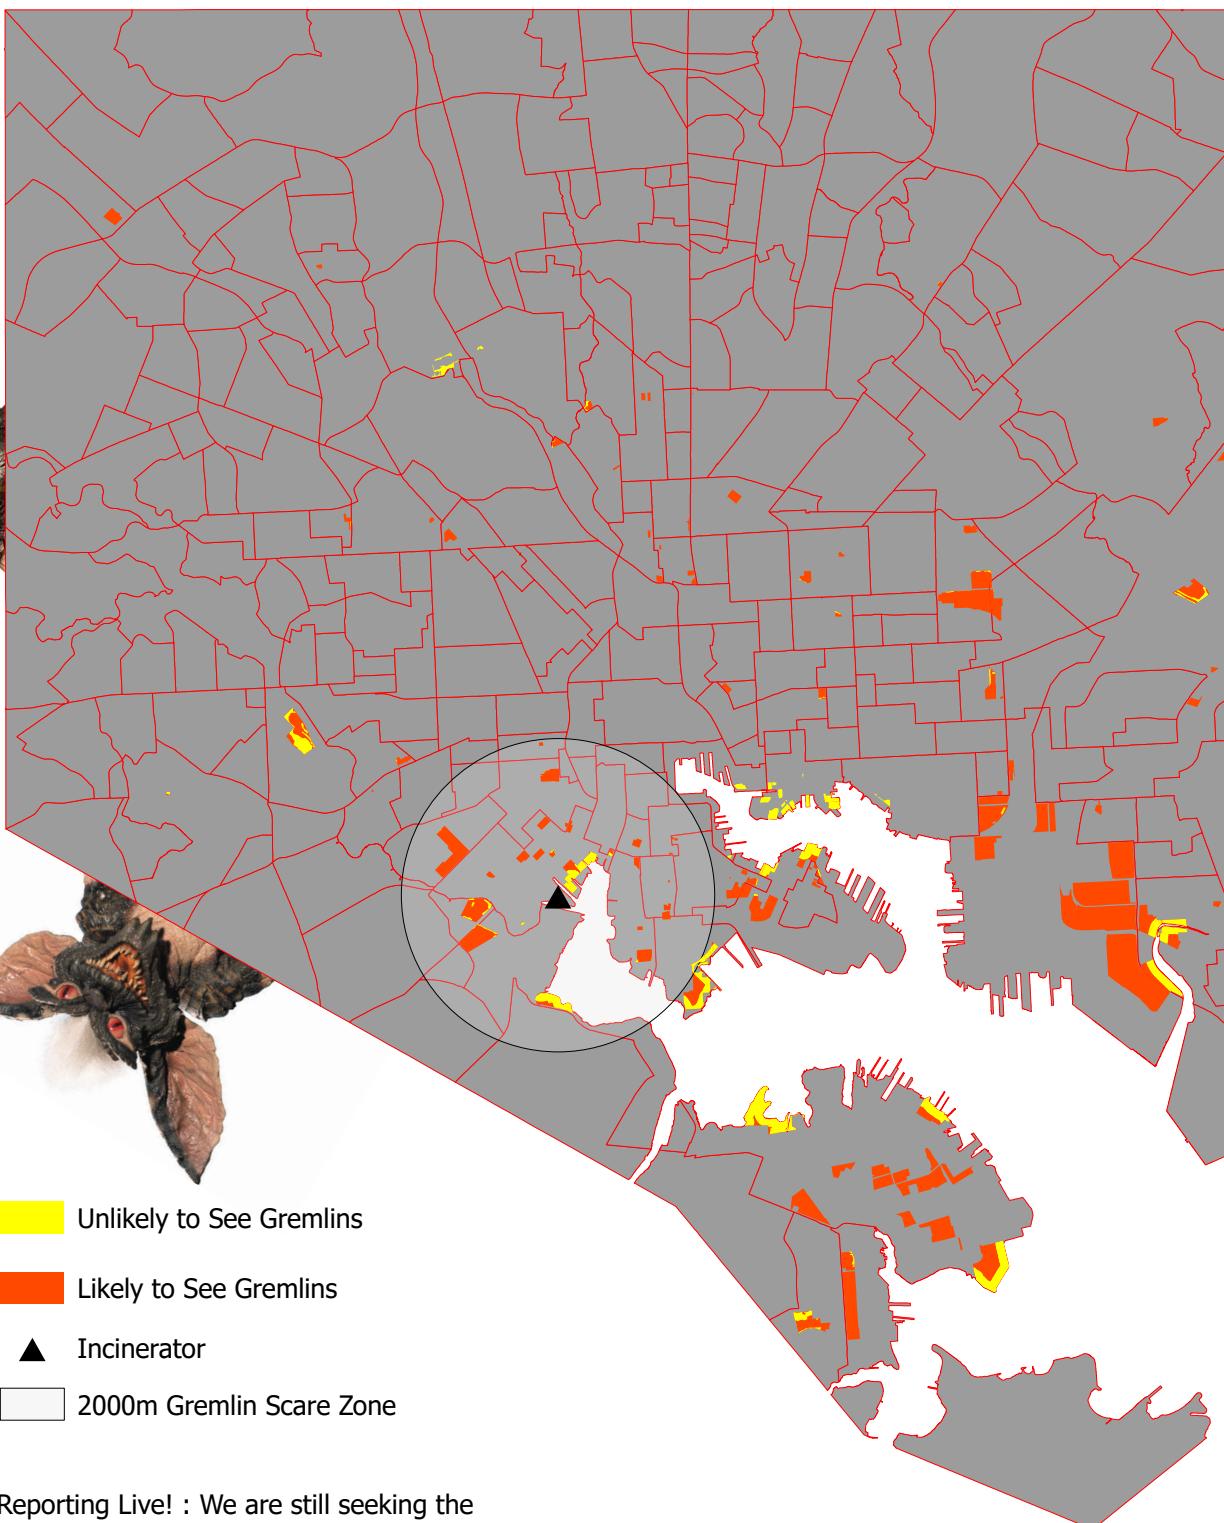

- WBAL Reporting Live! : We are getting closer to finding the Gremlins and putting an end to their terror! We know that there were at least 55 sightings in the Potential Spawning areas that you are likely to see Gremlins. We have hope!

GREMLINS

WE KNOW YOU ARE OUT THERE AND WE WILL FIND YOU

- WBAL Reporting Live! : We are still seeking the Gremlins, but with renewed vigor and hope. We are unsure if they fear the incinerator, but we do know that outside of its range, there were only 50 sightings in suspected areas. We will find them, but until that day, be safe out there Baltimore.
